"Everyone can do art. Everyone is
creative, and Audrey's and Barbara's gentle
urging generates a freedom in participants to
let loose and express themselves in a warm,
inviting, encouraging environment." - Lindsay
Whiting from her book [Living into Art, Journeys
through Collage](#)

**"My experiences in their class literally
changed my entire outlook on life.**
Their nurturing spirits opened a door to a journey
of self-exploration that continues 15 years later.
The opportunities offered through collage are
endless, and can reflect, in a poetically
exaggerated way, our idiosyncrasies, foibles and
individuality."

-Kirk Hinshaw, President, Arts Guild of Sonoma
